

SECTION 4: SIGHT SINGING

On the sheet you will find some sight singing examples. Please look carefully at example number \_\_\_\_

(All candidates should start with exercise one and progress as far as they are able.)

Have a look at the first one. Can you tell me what key it is in?

Here is an D Major chord and the starting note. Once you have read through it I will give you the starting note again and then I would like you to sing it to me.

1)

2)

3) (play c minor chord and starting note)
